It is time again to submit request to the Finance Committee for budget needs for FY 2025. Due to our current deficit in our budget we ask that you look at your budget line item carefully and see if you can reduce spending for items that are not necessary. Pick up a form from the church office to make any changes and submit it to the office with an explanation of changes for our review by Thursday, October 10. We also ask that you only make necessary purchases the remainder of this calendar year due to our current budget deficit. Thank you.
